

The Red Cross emergency cash assistance is for **YOU**, to fulfill **YOUR** priorities.

This support is provided by the **Polish Red Cross** and the **International Federation of Red Cross and Red Crescent Societies** (IFRC).

Who can receive cash assistance?

Red Cross Cash Assistance is provided to people displaced by the Ukrainian crisis who are in the following situation:

- Single headed household with at least 1 child (below 18) or elderly (above 50)
- Elderly headed household (above 50)
- Household with 2 or more dependent persons (<18, >50)
- Household with one or more persons with specific needs

Before using the cash

- Check the goods and services made available for you for free by the government and other organizations.

How to use the card?

- The card is activated 48 hours after being distributed.
- The card can be used to make purchases in shops, pay online and withdraw money from ATM.
- The card has fees per transaction. Make sure you understand these costs to make the best use of the card.

How much cash and when?

- The Red Cross transfer amount is aligned to the Polish Government guidelines on cash assistance, meaning **730 PLN** per month, plus **630 PLN** for each additional person in the household (up to 5). While the transfer is calculated in PLN, the assistance is transferred in USD.
- At this stage, the emergency cash assistance is planned for 4 months.

Feedback? Questions? Abuse? Lost card?

Safety

Before using the card

- In the envelope containing your card, you will receive a pin number to use your card.
- Keep this pin number securely and do not share it with third parties.
- Keep the card in a safe place, as you do with your ID and personal documents.

Before withdrawing cash

- Be discreet and careful with your card.
- Before using the ATM, check that no one suspicious is watching you.
- Use ATMs during the day and preferably in banks & accompanied.

At the ATM

- Do not share your card or PIN number.
- Do not allow anyone to see your PIN when entering it.
- Do not accept help from strangers; if you have any doubts, ask Bank employees for support.
- Check that the ATM is in good condition before using it.
- Make sure you take your card and cash with you before leaving the ATM.

How to use an ATM

1

**Insert the card
into the ATM.**

2

Select your language.
Do not withdraw the card
until you have finished.

3

**Follow the
instructions on
the screen.**

4-digit PIN number.**

**Feedback? Questions? Abuse? Lost card?
See the last page for contact information.**

5

Press the **Withdraw** button to withdraw cash.

6

Select the **amount** you wish to withdraw.

7

Select **Current Account**.

8

Remove the **card** and **cash**.

IFRC Visa card function and fees

This card functions as any debit card. The amount transferred to your card includes an extra amount to cover fees, including 2% of currency exchange as the card is loaded in USD.

Withdraw cash in ATM

This card works for most ATMs with about a 21 PLN fee per withdrawal

Pay in shops, also online

The card works for most Point of Sale (POS) at shops with 2% fee per transaction

Tips to minimize fees

- To minimize fee cost, we recommend you to **withdraw the maximum amount at once, in PLN/ Zloty.**
- When selecting a bank to withdraw your money, please note that they have different...
 - Commission: some banks do not charge any
 - Withdrawal limitations: per transaction, per day, per week, per month
- Please note that about a 3 PLN fee is charged in the following ATM operations (fixed cost per transaction):
 - Wrong PIN
 - Check remaining balance
 - Insufficient balance

Cash transfer schedule

You will receive the same amount every month during the next 4 months. **Withdraw the full amount within the first week.**

Transfer	Amount	Activated on	Must withdraw by
1			
2			
3			
4			

Cash use: Personal notes

Keep track of your balance by taking notes while using the card.

Date	IN amount	Withdrawal or purchase?	OUT amount	Fee	Balance
